

## **Farmers training & FLDs under TSP at Dungarpur (Raj.)**

**Dr. R.D. Meena**, Scientist-Plant Pathology and **Dr. Syam Sundar Meena** (Pr,Scientist)

Under Tribal Sub Plan (TSP) at KVK, Dungarpur, Rajasthan one day farmers training on ‘Innovative cultivation of seed spices’ was conducted successfully on December 27, 2022 in which total 100 TSP farmers (ST community) were benefited. Along with the training the farmers who participated were also provided plastic crates. Various issues raised and healthy discussion was made among farmers, state government staff & ICAR-NRCSS scientists. The farmers were also briefed on the subject regarding package of practices of seed spices cultivation. At the end of the training the participants were distributed plastic crates and registration kit.
